## Talking Jesus

Note down anything that stands out to you from the research.  
Discuss this on your table.

What do the stats tell us about how to reach young people with the good news of Jesus?  
Discuss this on your table.

If these are some of the big reasons that people come to faith, what could you or your church community do to actively bring hope to even more people?

## Create a young person

What is my name?

What great qualities  
do I have?

What are my  
hobbies?

Who do I live with?

Who else is  
important to me?

What is my  
experience of faith?

What is important to me?  
What do I care about?

What else do you  
know about me?

What do I need  
support with?

Create a journey that you could take your young person on, using connect, explore, respond, and grow.

### Respond

What ways could a young person respond to Jesus?  
What opportunities will you give them to respond?

### Grow

How will you continue to support them in their journey of faith? What could a grow community look like?

### Explore

How will you help and encourage them to explore faith?

### Connect

What will you do to connect with the young person?
